WE'RE OUT IN EVERY WAY...

“Virginia’s Hampton Roads region has long attracted diverse and mobile people . . .

– Charles H. Ford and Jeffery L. Littlejohn, LGBT Hampton Roads: Images of Modern America

Outlife757 is the only alternative media and events company specifically for our community. Our core demographic of 21–45 year old LGBTQ consumers and their allies is progressive, diverse, and growing.

THE VIRGINIA QUEER FILM FESTIVAL

September 2026 will mark our fourth annual Festival after producing three successful events that brought community, filmmakers, creators, and film buffs together. This track record puts us on the same level as a handful of the Queer Film Festivals in the South.

Financial support from our generous donors and membership base is essential to the Virginia Queer Film Festival’s continued ability to connect aspiring LGBTQ+ filmmakers with film fans who are joined together by their love of story.

Sponsoring the Virginia Queer Film Festival is also an effective way to showcase your company’s brand and support for the arts—especially when ours is a niche Festival that reaches a very specific audience. Your sponsorship is guaranteed to be seen not only by attendees and filmmakers, but in other markets where we promote the event.
